# Aim

...bring together sixth form students from across Brentwood Borough to undertake educational activities related to COP26...

## Objectives

1. Run an effective conference
2. Educate sixth formers about climate challenge and four specific areas for action:
  - a. Buildings' effect on climate
  - b. Climate conscious fashion
  - c. Reducing individual impact on the climate
  - d. Recycling
3. Procure students' commitment to collaborative action

**Brentwood Schools Conference**
