The Newsletter of Brentwood Climate Action

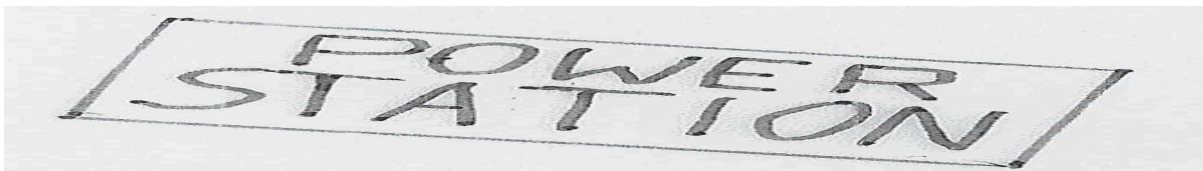

Welcome to the October issue of the BCA Newsletter... what a wonderful sound it was to hear the pitter and patter of raindrops this past month and if you listened closely, the wonderful sigh of relief from all the flora and fauna of nature. The smell of grass taking its first drink after the relentless drought and heatwaves that have penetrated all of our lives, no perfume could ever recreate. Nature is so magical, but in our world of hard facts, stubborn opinion and needless excuses, it is ourselves that are truly in need of her healing and tenderness. Afterall, science is the study of what had been seen previously as the practice of magic. Nature is science and Nature is magical...

News:

On 11th September, hosted kindly by Gail's The Bakers in Brentwood High Street and presented by **Dr Richard Millwood**, we were treated to the long anticipated film: Power Station.

We were all amazed at how one ordinary community could be brought together by two extraordinary people with a vision of socially investing in renewables for all within that community.

We are looking for a couple of members to attend the Council's **Clean and Green Committee** meetings which are held every three months. As it is one of the BCA's fundamental purposes to monitor and hold the council to account on their climate initiatives, we feel as an organisation that our involvement is vital. The next meeting will take place on **7th December**. Please contact us if you are interested.

Dates for your Diary:

Friday 2nd October, we are holding a **members only** informal get-together at the Victoria Arms Pub, 50 Ongar Road, Brentwood, CM15 9AX. We will be there from 7.00pm onwards and would be delighted to see as many of you as possible.

STOP PRESS STOP PRESS STOP PRESS

Saturday 31st October: **BCA Climate Cafe.** James Doyle, from the Thames Chase Trust, presents a talk about his work, including his involvement in the Trees for Climate programme.

Venue: 7 Crown Street, Brentwood, CM14 4BA.

Time: Doors open 10.30am, talk/presentation followed by Q&As and discussion from 11.00am to 12.15pm, doors close 1.30pm.

And finally...

... The BCA are teaming up with the local Essex Wildlife Trust, serving Brentwood and Billericay, to combine all of our litter picking skills. The dates and venues can be accessed on their Facebook page from the link on their website below, plus you will be able to see what goodies they have in store too!
